

Annual Chapter Cutting Party at Joe and Donna Coleman's

Bring a sandwich or other form of food that can be eaten outdoors. Beverages and dessert will be provided. Bring a folding chair and materials to keep your cuttings fresh and identified. For this purpose, a small ice chest, clippers, labels and magic marker to identify the cuttings, Ziploc bags, rubber bands and twist ties are helpful.

DIRECTIONS: Go East on I-20 to Exit 75 (Stonecrest Mall exit), go north away from the Mall about 3 miles on Scenic Highway #124. Turn right on to Pleasant Hill Road at the light. A Shell station is on the corner. Come down Pleasant Hill about a mile and a half (basically down one hill, up another, and then down again.) Turn right on to Union Grove Road. As you turn you are looking right at the gardens – it is the corner house. If you miss the turn on to Union Grove Road, you will cross over the Yellow River, so turn around and come back. There is plenty of parking on the street unless you plan on staying a long time and want to park on the lower drive.
